

# SAFE SCREENS AND DIVIDERS

PRICELIST 2020/21

| SANSWISS SAFE SCREEN |

# SANSWISS SAFE SCREEN

## Protective Screens | Sales Desk Divider Screens | Screen Dividers

SANSWISS SAFE SCREEN protection walls, screens, counter barriers and dividers which provide both individual and collective protection. They help reduce the risk of virus spread. Protective screens are made of high-quality aluminium (in Silver Gloss or Matt Black colour) and transparent safety glass, which meets the EN 12150/1 technical standard.

SANSWISS SAFE SCREEN is easy to install, move and maintain.

These are effective physical barriers that can perform other functions, such as an information area where you can write or place notes.

**PROTECT YOURSELF!**

for companies and authorities | to offices | to workshops  
to banks and insurance companies | to hospitals, surgeries, pharmacies  
to restaurants, hotels, canteens | to shops  
for workshops and open spaces | for desks and counters

**HYGIENIC**

Made of tempered safety glass.  
Easy to clean and disinfect  
(even with alcohol-based products). Easy maintenance.
